Showersave[®]

Showersave®

Save on your energy costs

Showersave® is a well established and wonderfully simple waste water heat recovery system (WWHRS) installed in over 50,000 homes across the UK and Europe.

As well as being extremely straightforward to install, the Showersave® system requires no maintenance. It is recognised in SAP by BRE and is one of the most simple, sustainable and cost effective means of achieving Part L of Building Regulations.

Showersave can act as an inexpensive and invaluable insurance policy against non-achievement of the dwelling emission rate (DER).

Suitable for

Housing Developments

Housing Associations

Self Builders

Bathroom Refurbishment

Apartment Projects

Benefits

Low CAPEX and a hugely competitive £ per point in SAP

Customers benefit from reduced energy costs

Offers developer a cheaper alternative to many technologies, including MVHR, Solar PV and Triple glazing

Zero issues with Showersave®, post installation on units installed

Showersave® remains one of the most cost effective solutions to achieve the new demands of Part L

Showersave® is a 'fit and forget' technology

Showersave® is >60% efficient, depending on flow rate

100% Recyclable

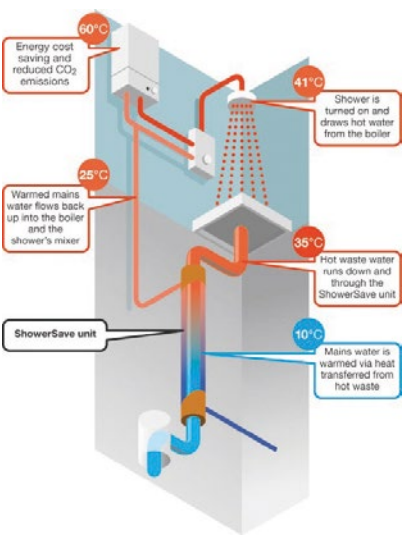

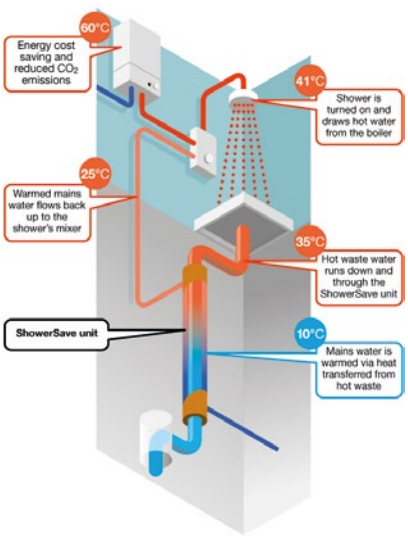

Installation – How it works

Showersave® can be installed in one of three ways.
System A is most efficient and therefore the preferred method of installation by our customers.

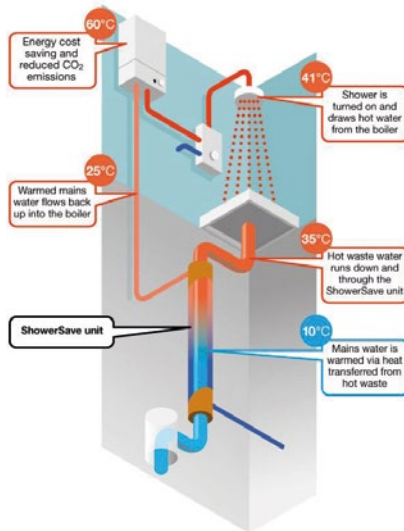

System A

System B

System C

Why wouldn't you?

“Showersave is a perfect addition to this project, given its impressive energy saving credentials, ease of installation and zero maintenance requirements”

Darren Dancey, Technical Director, Crest Nicholson Plc.

“Showersave® is a simple concept which is easy to implement, but delivers a surprisingly effective energy saving. The fact that it is also cost effective within SAP is a bonus.”

Neil Lockhart, Antler Homes

“We have recently completed a large project for the MoD. The construction time line was challenging so it was helpful to get very reliable deliveries from Showersave®.”

Julian Mander, Director, KRS Mechanical Services Ltd

“The quick deliveries from Showersave® have been a big help in ensuring that we have kept to schedule.”

Mick Tipper, Stewarts P&H
